

Alternative High School Student Attendance Agreement

Research supports the strong positive correlation between consistent school attendance and strong student results. Based on this the Calgary Board of Education and Alternative High School require registered students to attend school regularly and punctually. It is the responsibility of the student and parent/guardian to ensure compliance with the school attendance requirement.

Calgary Board of Education Administrative Regulation 6020

The Alberta School Act Part 1 Section 12 & 13

- 1) I must attend school punctually and regularly.
- 2) I must inform the school of all absences by phone or email, indicating name of student, date of absence and reason for absence.
- 3) It is the discretion of the principal as to which absences are excusable and which absences are not excusable.
- 4) I am responsible to stay up to date in all my courses regardless of absences.
- 5) Unless I am over the age of 18 and I am declared an independent student I cannot excuse any absence and/or sign myself out of school a parent/guardian must be contacted for all absences.
- 6) If I do not maintain a rate of attendance of over 80% I am indicating that there is a priority in my life greater than school and therefore the school can make arrangements to transfer and/or withdraw the registration.
