• Principal's message

Alti Gala was last week and was well attended. Our student makers had a positive experience, and we are super proud of our performers.

Grad is shaping up. We have our last completion day this week. Grads need to be passing all their courses in order to participate in graduation. We have 32 students currently on the grad list. Also, thank you to all those who purchased plants in our fundraiser. We were able to raise just over \$500 to support extra costs of grad and to be able to subsidize tickets for students who might not otherwise be able to attend. We have a timetable built for next year and we are recruiting. I staffed the school based on 95 inclusion students and 32 CLASS students. We are assuming that about just over half our new students next year will be grade 10s, and the rest will be spread between grade 11 & 12.

Our Indigenous Celebration Day is May 23. Hoop Dancing, Beading, Art and other opportunities for students. We also are headed to Theatre Calgary for Legally Blonde on May 28.

- Any other business – Visa monies \$680-need to be spent by June 13/2025. Gary and Tracy to look into speakers.
