Motion: Beth J
Second: Laurie W-T
- 5. Business Arising from Previous Minutes**
none
- 6. New Business**
 - A) Principal's message**

Semester 2 is underway. We accepted 12 new students this semester. Our students demonstrated Belonging and Generosity by wearing badges saying “ask me” and “Alti Genius” to identify themselves as safe people to approach, as well as by setting up in Kory’s room at lunch so everyone would have somewhere to go and someone to eat with.

Our student voice met last week to consider a vetting process for guest speakers and to share ideas about speakers that would be interesting to our student population. We also have an opportunity to re-design our logo. Our mascot is the Phoenix, and we are leaning towards a mosaic/stained glass look for the logo. Student Voice is consulting with their peers in mentor about colors and symbolism that represents our community. We are hoping to have our new logo

in time for Alti Gala on May 1. If parents would like to offer input, they can reach out to Principal Tracy.

Students will be completing the CBE survey right after Family Day, and the Alberta Education Assurance survey will come out soon. Parents of our grade 10 students will receive a code and invitation in the mail to complete the survey on behalf of our school. All students grade 10-12 will complete both surveys in order to have a decent sample size for data.

We have a field trip planned for March 20 to three locations. Students will choose their own adventure. We also will be attending Theatre Calgary on May 28 as a whole school. There will be fees for these activities to offset the cost of bussing.

B) Annual Alberta Education credit card - Balance on credit card is \$683. It is meant for parent education/involvement. Can be an online meeting

C) President - Have access to both emails and will be checking the inboxes weekly.

7. Adjournment 7:34 pm

Next School Council Meeting Time: April 8 (6:00 PM) and May 13 (6:00 PM)
